Kingdom Coffee can provide the ideal cost effective solution to your coffee bar requirements from a complete bespoke modular counter to a cart tailor made for your needs.

Kingdom Coffee offers a number of cart options to provide a completely branded new business opportunity with minimal outlay.

The mobile nature of our carts mean they can be taken straight to site with immediate start up and easily removed.

Our carts are also an excellent solution as a permanent fixture where space is at a premium - such as an office lobby or a shopping mall.
